

Have You Scheduled Your Psychiatric Diagnostic Assessment Yet?

Consider scheduling one with Bedford Counseling Associates, the same agency that developed and teaches the Lifestyle Changes course, which is instrumental in helping people develop the tools they need to make lasting changes in their lives.

Bedford Counseling Associates provides state of the art assessments for those contemplating gastric procedures. Our team of highly skilled clinicians includes:

Kim Ahlgren, LCMHC

Sylvia Bradd, LICSW

Katrina Jameson, LCMHC

Janice Long, LICSW

Taunya Jarzyniecki, LCMHC

David Marshall, LICSW

Each clinician has received specialized training in providing psychiatric diagnostic assessments to give you the best possible care to help evaluate your readiness for surgery and the inevitable lifestyle changes surgery brings.

Convenient appointment times are available including evenings and Saturdays. If you would like to schedule your assessment with Bedford Counseling Associates please call our Scheduling Department at **668-4111**.
