**Description:** The strategies of Motivational Interviewing (MI) allow a practitioner to use a directive, client centered counseling style for eliciting change by helping clients explore and resolve ambivalence. Rather than confronting clients about the need to change, it leads them toward self-confrontation as a way to become unstuck from their indecision about change. This training will highlight the application of the MI practice for use with adolescents and young adults.

- Contact Hours:**
- The Mental Health Center of Greater Manchester is an approved provider of continuing nursing education by the Northeast MultiState Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.  
The participant will be awarded 6.0 contact hours for attending this program.
  - This activity has been approved for 6.0 Category I Continuing Education Credits for relicensure by the NH-NASW - Workshop #3071.

**Sponsor:** The Mental Health Center of Greater Manchester, Manchester, NH
